## REACH COMPLIANCE DECLARATION

### REGULATION (EC) No 1907/2006 CONCERNING THE REGISTRATION, EVALUATION, AUTHORISATION AND RESTRICTION OF CHEMICALS (REACH)

Euroquartz Limited confirms that none of its products or packaging contain any of the 174 Substances of Very High Concern (SVHC) on the REACH Candidate List, shown below, in a concentration above the 0.1% by weight allowable limit.

Euroquartz Limited also certifies that parts manufactured and distributed by Euroquartz Limited, fully comply with the related requirements of the European Union Regulation concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH):

1. Under the structure of the REACH regulation, Euroquartz is a manufacturer and distributor of "ARTICLES" to our EU customers (the electronic components manufactured shall be considered as articles). Euroquartz Limited does not manufacture "substances" or "preparations" and our articles do not involve the "intentional release of substances". Accordingly, we foresee no registration or pre-registration or Authorization requirement for the products we supply. Euroquartz declares that no article contains any SVHC in amounts more than 1000ppm.
2. With regard to the requirements of Article 33 of REACH: Duty to communicate information on substances in articles. Euroquartz Limited declares that none of the SVHC outlined in the list below is present in our products and packaging in quantities totalling in a concentration equal or above 0.1%
3. With regard to the requirement of Article 67 of REACH: A substance on its own, in a preparation or in an article, for which Annex XVII, contains a restriction shall not be manufactured, placed on the market or used unless it complies with the conditions of that restriction. We declare that none of the substances in the Conditions of restriction is present in Euroquartz Limited products and packaging.

Euroquartz Limited declares that all its products as of the date of issuance of this Declaration do not contain any of the REACH ANNEX XIV Substances.

As REACH regulation is updated frequently, for the major changes afterwards, such as the addition of SVHC substances into Annex XIV, the addition of restricted substances in Annex XVII, Euroquartz Limited will evaluate further revisions in time and update this declaration to reflect these changes.

Annex XIV: <http://echa.europa.eu/addressing-chemicals-of-concern/authorisation/recommendation-for-inclusion-in-the-authorisation-list/authorisation-list>  
Annex XVII: <http://echa.europa.eu/addressing-chemicals-of-concern/restrictions/substances-restricted-under-reach>

We further declare that all statements in the Declaration are true and accurate.
